Dear Parents//Caregivers,

Our last two and a half weeks of school for 2008 are filled with many exciting events where we can share our learning and achievements with our school community. It is also a time for students to continue and complete learning in the classroom, orchestra or strings, and try to embrace the school with some prospective parents and students. I recently tour the school and observed a dynamic and rich environment where students are committed to their learning. I saw students participating in a guided reading lesson, other students working on maths problems, learning tasks being completed using interactive whiteboards, fitness games occurring on the oval and in the yard, projects being completed using the computers in the Resource Centre, students listening and talking about their learning, children having their first transition visit in a classroom in preparation for Reception next year and the sound of sweet recorder and stringed instrumental music. This is just a snapshot of the teaching and learning that occurs daily at our school where students are busily engaged and immersed in their learning.

On Wednesday 3 December our End of Year Celebration will be held on the Devitt Oval. We invite all school community members to join us for tea and the celebration where classes present an item. Catering is available on the night with tea beginning at 5pm. Details of catering arrangements were included in the last newsletter so please remember to send requested details to the office by Friday. I do hope you are able to come along on the night to share the fun. Governing Council is assisting on the evening and would appreciate your support. You can help by:

- Assisting on the stalls
- Purchasing your tea

You are asked for a gold coin donation per adult. The money raised will go towards the hiring of the equipment on the night and if there are remaining funds they will go towards our piazza development.

It is important that all children are in their classroom at 6pm so staff can escort students to their seating area at 6.15pm. Our celebration will start at 6.20pm. We ask that parents and visitors show the Virtues of respect, consideration and courtesy and refrain from talking while students are participating on stage. We have all been practising these items and look forward to sharing them with our community. It is also important that younger children who do not attend school remain under the supervision of their parents or caregivers. We invite people to bring their own chairs but to please keep behind the painted lines. Any help at the end of the night to pack up and return furniture and equipment to school buildings would be helpful and greatly appreciated.

Volunteers are a special part of our school and a morning tea was held this morning in the Resource Centre to thank these wonderful people for their service and contribution to our school community. We have a wide range of volunteers including people who assist in our classrooms and on excursions, others who are part of a committee or sub-committee, sporting team coaches and people who help in areas outside the classroom including our canteen volunteers who prepare the delicious healthy food that is now available from our school canteen.

Our recent successful swimming program highlighted the assistance from our volunteers who helped our students so they were able to participate and ensure they returned to school with their belongings - a challenging but important task when you are only 5 and just beginning at school.

Students who have participated in the Premier’s Reading Challenge will have their medals or certificates presented in their classrooms by Vinita Cicarello.

Continued on the next page...
Today (Wednesday) we have had our Sporting presentation where all children who have played school sport were presented at an assembly and plaques were presented to students who have elected to receive them. Our volunteer coaches and assistants were also recognised for the valuable and essential service they offer to all these teams.

As many of us are thinking about preparing for next year at Trinity Gardens, our Year 7 students are thinking about the next stage of their lives with excitement, awe and at times a little hesitation. Their Graduation ceremony will be held at 6 pm on Monday 8 December in the Resource Centre. It is a time for reflection and pride as we recognise their achievements and progress. We will say goodbye from Trinity Gardens staff and community as they spread their wings and begin their secondary education in 2009. A photo of these fine young students is included in this newsletter.

On Friday 28 November merit certificates and academic achievement certificates will be presented to students. Then academic excellence awards for Year 5, 6 and 7 students will be issued on Friday 5 December at 9am.

During the holidays some classrooms will be painted while others will have new carpet laid - this is part of our school refurbishment plan and will beautify classroom environments. Our Aberdare building and St Morris redevelopment should soon be finished with the trench now completed. Your patience and understanding was much appreciated as we navigated our way into Wellington each day. The gabion wall project is scheduled to begin shortly and survey work has occurred over January, coupled with DECS formulae for staffing, mean that classes cannot be finalised until Week 3 of Term 1. Consequently we are not able to say with certainty who your child’s teacher will be for next year and therefore this will not be included on your child’s report. This does not affect the Steiner stream classes who already wing with excitement, awe and at times a little hesitation. Their Graduation ceremony will be held at 6 pm on Monday 8 December in the Resource Centre. It is a time for reflection and pride as we recognise their achievements and progress. We will say goodbye from Trinity Gardens staff and community as they spread their wings and begin their secondary education in 2009. Consequently we are not able to say with certainty who your child’s teacher will be for next year and therefore this will not be included on your child’s report. This does not affect the Steiner stream classes who already know their class teacher, or the Year 7’s who will be with Dean Sheppard. At the beginning of the school year in 2009, we will hold a whole school assembly notifying students of their teacher and classroom.

Our Governing Council recently had our last meeting for the year. A huge thankyou to these dedicated and committed people. We have a number of vacancies on Governing Council next year due to the retirement of existing members and vacancies due to the increased number of councillors. Our AGM meeting will be held on Wednesday 4 February and a nomination form is included with this newsletter. We urge you to nominate for our 2009 Governing Council. If you have any questions about Governing council, please contact one of our Council members or me.

Vicki is now home recovering from her surgery and just beginning her rehabilitation.

As this is the last newsletter for the year, we would like to wish all families a happy and safe festive season. Thank you for your support and collaboration as we work together in partnership during your child’s learning journey and encourage and assist them to strive for excellence in a positive, supportive and quality learning environment.

Kind Regards
Ros Green
Acting Principal

TGPS IN THE SWIM!

Tonia Doody’s year 2 class really enjoyed swimming last week and would like to share some of their swimming rec-counts with you.

‘Swimming Day 3’ - by Isabelle

On Wednesday the 19th of November Mark’s and our class went to the Payneham Pool.

Firstly we packed our bags ready to go to swimming. We got there by a bus. It only took five minutes to get there.

Next the instructors were talking about safety.

After that we hopped into the pool and started doing freestyle, backstroke, breaststroke and others.

Then she said to us “the best swimmer was Isabelle!” and I got to choose the game. I chose stuck in the mud.

Finally we got out of the pool, got dressed and went on the bus back to school.

I felt good because I love to do SWIMMING.

‘Swimming Lesson’ - by Lewis

On Wednesday our class had swimming lessons at Payneham Pool with Mark’s class. We went by a rented school bus.

Firstly we got changed and listened to the instructors talk about water safety.

Secondly we got a noodle and jumped into the pool and did some Torpedo, Freestyle, Backstroke, Breaststroke, Butterfly and Survivalstroke. At the end we played stuck in the mud.

Finally we got changed and left at 11:00am.

I felt happy because I went swimming with my friends.

‘Swimming’ - by Chris

On Wednesday I went swimming with my class.

First the instructors told us about safety and we got into our groups.

Secondly my group got a noodle each and jumped into the big pool at the deep end.

Next my group swam to the shallow end. Then my group played stuck in the mud.

Thirdly I got dressed into my school clothes.

Finally, I got on the bus. I sat near the front. When my class got to school I ate my recess. I had fun at swimming today.

‘At Swimming’ - by Hayden

We got on a bus to go to swimming. We got out of the bus. We got changed.

Next I went to my instructor. We went to the big swimming pool. It was deep and it was fun. Then we got out then we got in with the life-jacket.

After we got out and we got changed into our school clothes.

Finally we went to school and went to recess. After recess we went to Music. We played music. It was fun. Next we wrote our swimming journal.
On Tuesday 2 December a canteen meal deal will replace normal lunch orders - No other lunch orders will be available on this day. Deal for week 8, term 4:

**Turkey and salad wrap**

**OR**

**Cheese and salad wrap**

with a delicious **Christmas Pudding**

and a **Fruit Punch**

All for only $6.00

I would like to order a Turkey or Cheese salad wrap (please circle your choice) with a Christmas Pudding and a fruit punch - for only $6.00

**FAREWELL AND GOOD LUCK TO OUR YEAR 7 STUDENTS**

---

**RESOURCE CENTRE NEWS**

The last day for students to borrow from the Resource Centre is Friday 28 November and all books are then due back by Thursday 4 December.

**There is no holiday borrowing from the library.**

Please help your child find any books they may have at home. If you can’t find a book that you believe you have, please notify a Resource Centre staff member.

Lost book notices will be going home shortly.

Many thanks for your assistance.

---

**REMINDER**

**EARLY DISMISSAL ON THE LAST DAY OF TERM - FRIDAY 12 DEC 2.05PM**

Our school was fortunate to have a special visitor in the form of Adelaide 36ers Basketball star Luke Schencher.

---

**Glenunga High Ignite Information Evening**

Parents/Caregivers of primary school students are invited to an Information Evening about the School’s **IGNITE Program** for gifted students.

When: Tuesday 2 December 2008

Time: 7.00pm

Where: Performing Arts Centre

Glenunga International High School

Please ring 8379 5629 or email Helen.redmond@gihs.sa.edu.au to register your interest in attending.

Nomination forms for entry into the IGNITE Program for 2010 are now available.

Assessment will be held on Saturday 21 February 2009.

---

**STEINER CLASSROOM WORKING BEE**

Thank you to parents of children from the Steiner stream who have already committed a day towards preparing the latest Steiner classroom during the summer holidays.

Working bee times are:

10am Sat 10, Sun 11, Wed 14 and Thur 15 January. Each session should be finished by lunch time.

Helpers are still required for all days particularly and Thursday Supervision of children attending will be shared by parents on each day.

Please give your completed reply slips to your child’s class teacher as soon as possible.

Thank you,

Steiner Education Sub-committee

---

**CANTEEN MEAL DEAL - TUESDAY 2 December**

Our school was fortunate to have a special visitor in the form of Adelaide 36ers Basketball star Luke Schencher.

---

**Thankyou to parents of children from the Steiner stream who have already committed a day towards preparing the latest Steiner classroom during the summer holidays.**

**Working bee times are:**

10am Sat 10, Sun 11, Wed 14 and Thur 15 January. Each session should be finished by lunch time.

Please give your completed reply slips to your child’s class teacher as soon as possible.

Thank you,

Steiner Education Sub-committee
Carlo the Space Cop was cruising in his black wheelchair at a leisurely 150 km per hour when the emergency phone in his pocket started beeping. “How did you get this number McCarthy?” said Carlo when he saw the unmistakable flowing green hair and black uniform of Captain McCarthy, the toughest meanest space pirate in the known universe.

“Never mind that policeman,” said Captain McCarthy, “I have something else that you might be interested in!”

The phone screen zoomed out to reveal the smooth curves of the jet black ship behind the pirate. It was “the Neer”, the Icelandic experimental spacecraft capable of light speed designed by Professor David Gudmundsson.

Carlo broke the connection and called Takuma at Headquarters.

“I'm going after McCarthy!” he snarled, “get me Gudmundsson and meet me at the spaceport!”

Carlo dropped the phone back into the pocket of his shiny silver uniform and activated his wheelchair jets. All Earth Police used wheelchairs but only the Space Corp had the heavily armed, jet propelled models that Carlo drove. He arrived at the spaceport just before Takuma and professor Gudmundsson and soon all three were boarding Carlo’s ship, “the Comet”. Carlo drove forward to the control panel and the connecting cables snaked out and locked into their connections on his black wheelchair. “Take a seat professor,” he said casually, “we won't be wasting any time.”

Takuma connected his wheelchair to the Communications Panel. “Ready to roll skipper,” he said.

The Comet blasted off from the spaceport with jets screaming. “Get McCarthy on the long range scanner,” said Carlo.

“Already on it Skipper,” answered Takuma. “He's in sector 3J, heading for the Crab Nebula.”

“Let's get there before him!” said Carlo and engaged his ship's drive at maximum. They tore through space and soon caught up with the Neer. “Give me some way to disable that ship Professor!” demanded Carlo.

“Message coming in!” said Takuma from the Communications Panel. “THE IMMOBILISER!!” shouted Professor Gudmundsson. “I can trigger the immobiliser from the Communications Panel.”

“Do it!” said Carlo through clenched teeth as he stared at the grinning face of the Space Pirate.

The Professor punched a code into the Communications Panel and the panel exploded! The control room of the Comet filled with a gas as green as Captain McCarthy's hair! Carlo, Takuma and the Professor slumped unconscious in their chairs.

“Did you think I’d forget the immobiliser boys?” Still laughing, Captain McCarthy turned his new ship around and set off to his secret hideout at light speed.
Consideration is being thoughtful about other people and their feelings. It is thinking about how your actions affect them and caring about how they feel. It is paying attention to what other people like and don't like, and doing things that give them happiness. When we are considerate, others know that they are important to us.

Peacefulness is an inner sense of calm. It comes especially in quiet moments of reflection or gratitude. It is getting very quiet and looking at things so you can understand them. Peacefulness is a way of approaching conflict with others so that no one is made wrong. It is being fair to others and yourself. With peacefulness, everyone wins.
Uniform Shop Holiday Times

The School Uniform Shop is situated down the corridor from the Administration Office. Payments are made at the shop using cash, cheque, eftpos or credit card on the day of purchase.

Our holiday opening times are:
2009 - Wed 21 Jan - open 9am to 1pm
2009 - Thur 22 Jan - open 9am to 1pm

PREMIER’S READING CHALLENGE AWARDS PRESENTATION

The Premier’s Reading Challenge certificates and medals will be given out in each classroom by the Honourable member for Norwood, Vini Ciccarello, on Friday 28 November. We are all looking forward to receiving the awards for reading so many wonderful books during the year. Thank you for taking part in this mammoth event. Next year we hope that ALL children in the school will participate in this worthwhile event.

Lila D’Antuoni, Resource Centre

SPORT NEWS

Basketball News
We hope your child/children have enjoyed playing basketball for a school team this year. All basketball tops need to be returned to school as soon as your child has played their last game (it would assist us if all tops were washed before return).
We require all tops to be returned by Thursday December 4 at the very latest. We will then be able to complete a stock take of our basketball tops in preparation for the 2009 basketball season.

Sporting teams:
Thank you to all our coaches, assistant coaches, parents, family members and friends for their support and assistance to our many sporting teams throughout this year. Your commitment and enthusiasm are much appreciated and help our students to develop new skills, be active and have fun.

In 2009 we look forward to your continued support and ask you to consider perhaps being a coach or being part of a coaching group.

CRICKET NEWS

The Linden Park Primary School oval on Hay Road is unavailable for the remainder of Term 4 due to ongoing construction works. There are three Junior Division 1 matches programmed to be held before this date.

The current program is as follows for Trinity Gardens Div 1:
Saturday 6 December 8.30am Linden Park vs Trinity Gardens at Linden Park Primary School, Hay Road, Linden Park.

This will be changed to the following:
Saturday 6 December 10.30am Linden Park vs Trinity Gardens at Magill Primary School, Adelaide Street, Magill.

St Morris Community Child Care Centre 20th Birthday & Reunion

St Morris Child Care Centre are celebrating their 20th Birthday and would like to invite all current and past families to celebrate with them.
If you are a past St Morris CCC family member, please contact the centre on 8332 3999 for details.

WORDS OF WISDOM ~ UPFRONT

“He who has no Christmas in his heart will never find Christmas under a tree.”
- Unknown

OSHC NEWS & VACATION CARE

Vacation Care programs are now available. Please collect one from the front office or from OSHC.
Vacation care availability during the Christmas holiday period:
Available from: 15 - 19 Dec
Closed from: 22 Dec - 4 Jan
Re-opening again: 5 - 23 Jan

The deadline for bookings is Friday 5 December (week 8). Bookings received after this date will incur a $5 late booking fee.
Bookings can be made by contacting Edwina, our OSHC Director on 83326901.
OSHC would like to invite parents to join the OSHC advisory committee. Meetings are held twice each term. Please contact Edwina on 8332 6901 for more information.

2008 Norwood Christmas Pageant

Please contact Edwina on 8332 6901 for further information.

Payneham Community Carols

Sat 14 December 6.45pm to 9.15pm
